

AMENDMENTS TO THE DRAWINGS

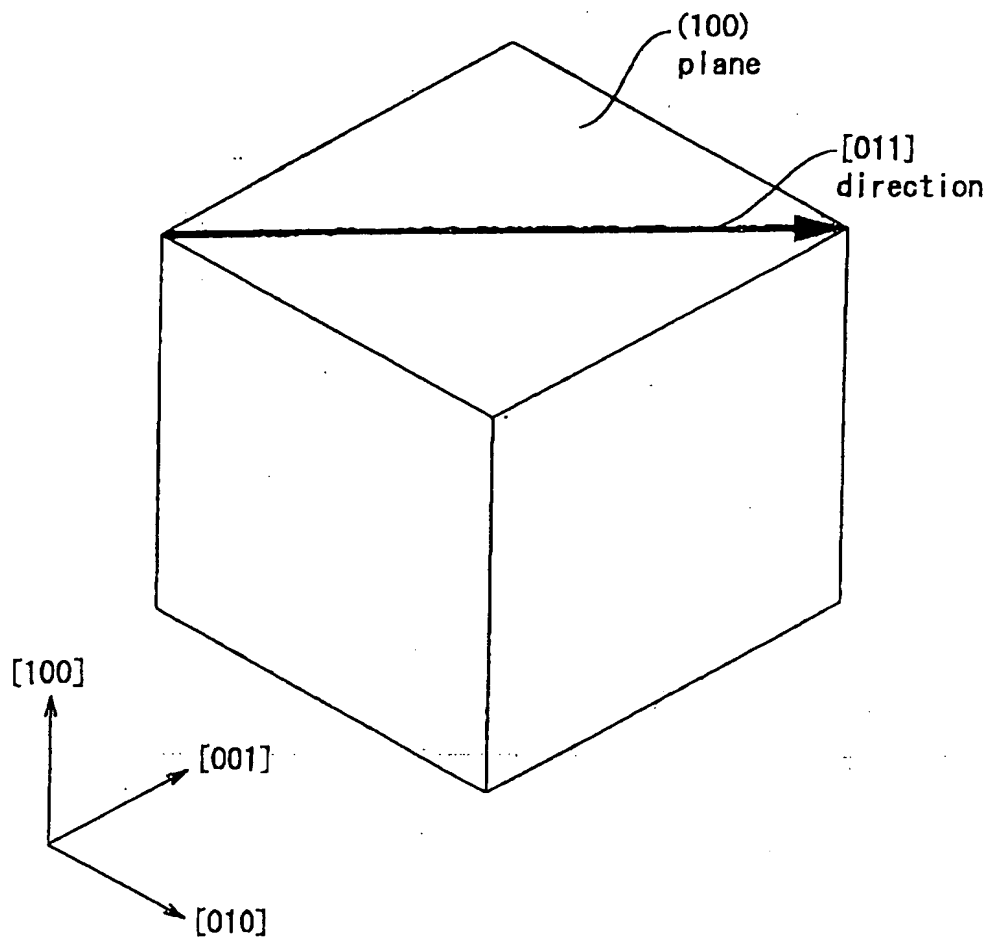

The attached new sheets of drawings includes new Figs. 12A-12C. New Figures 12A-12C show the relation between crystal planes of the substrate, crystal axes of the substrate and the surface of the substrate. These figures would be clear to one skilled in the art based on the disclosure of the specification and so no new matter is added.

Attachment: New Figures 12A-12C
